• **25% Off on Alignment with Purchase of 2 New Tires:** Just because you aren't ready for a full set of tires doesn't mean you can't benefit from straightening out your alignment or a good deal!

*Offer good through February 28, 2012. Excludes extra parts (tie rods, ball joints etc.) and labor if necessary. Please present coupon at time of purchase. Digital coupons displayed on cell phones, tablets, or laptops will also be honored.*

**\*\*\*Everday Special - Free Rotations and Air Pressure Checks for the Life of Your Tires:** When you buy your tires from Parrish Tire & Automotive we'll help you take care of them for life by providing free rotations and pressure checks at any of our six locations. Failure to rotate and under-inflation are the leading causes of irregular tire wear, shortening the life span of your tires and reducing your car's gas mileage. So next time you stop in for an oil change or just to say hello, remember to take advantage of this free service.
